## SERVICES AND RATES

### **Interstate Institutional Operator Assisted Calls**

Automated operator assisted collect calling services for use by inmates of confinement facilities are charged individually for each call placed through the company's network. Consumers are billed based on their use of the company's service. Applicable governmental taxes and fees are in addition to the rates and charges for calling service.

#### **A. Interstate Collect Rate**

The rate listed below is charged for interstate collect calls from most confinement facilities. The rate is as specified by Federal Communications Commission 47 CFR Part 64 [WC Docket No. 12-375; FCC 13-113] – Rates for Interstate Calling Services – effective February 11, 2014. However, rates may vary if service is offered on an individual contract basis to meet specialized requirements of the confinement facility. These exceptions will not exceed the below maximum rates.

Maximum Usage Rate per Minute: \$0.25

#### **B. Prepaid Institutional Calling Services**

##### **Prepaid Calling Rate**

The rate listed below is charged for interstate prepaid calling card, prepaid debit, inmate debit, and AdvanceConnect calls from most confinement facilities. The rate is as specified by Federal Communications Commission 47 CFR Part 64 [WC Docket No. 12-375; FCC 13-113] – Rates for Interstate Calling Services – effective February 11, 2014. However, rates may vary if service is offered on an individual contract basis to meet specialized requirements of the confinement facility. These exceptions will not exceed the below maximum rates.

Maximum Usage Rate per Minute: \$0.21

**Prepaid Expiration and Refund Policy:** The End User may request a refund of the available balance in an AdvanceConnect Account either by written request to the Company or by contacting the Company at its toll free telephone number once the End User verifies certain account information. Any such unused balances will expire in one hundred eighty (180) days following the last call made, unless the balance is either fully depleted or a refund has been requested. No refunds of unused balances will be issued after the expiration date.

- C. **Inmate Debit** – Inmate Debit is a prepaid telephone account offering made available to Inmates by the Company when permitted by the Confinement Facility. Inmates fund and replenish their Inmate Debit account through electing to transfer funds from either their facility's inmate trust fund or commissary account to their Inmate Debit account. Inmate Debit accounts may also be funded by inmate friends and family members via the Company's points-of-sale. Funds placed in this account become the property of the inmate.

Refunds of unused Inmate Debit account balances are issued by the entity controlling the actual cash deposits, which is either the Company, the commissary, the Confinement Facility or its agent, depending on the specific arrangements, unless otherwise directed by state law. Depending on the entity issuing the refund, refund fees and/or minimum refund amounts may apply. The prepaid balance expires ninety (90) days from the date of the last call placed on the Inmate Debit account unless alternative arrangements are expressly requested by the Confinement Facility. No refunds of unused balances will be issued after the expiration date.

**D. Other Charges**

- 1. Federal Universal Service Fund Fee:** The federal government requires that all telephone companies providing interstate service contribute to a fund to make phone service affordable and available to all Americans, including consumers with low incomes, those living in areas where the cost of providing telephone service is high as well as to schools, libraries, and rural health care providers. The law permits companies to pass this charge on to its consumers. This fee, which is known as the federal Universal Service Fund fee (USF), is based on a specific percentage of the cost of interstate calls that is set by the federal government. Companies are also permitted to charge the consumer an administrative fee to cover their costs for administering the government's USF fees.
